

Vital Church Initiative (VCI) 'Away Team' Discussion
Sunday, April 29, 2018 8:30am – 9:30am

Meeting Objectives:

- Complete the 'homework' assignments
- Discuss communication strategy to update congregation

Homework:

1. Complete 'Ten Ways to Renovate Your Church' exercise on page 41, session two packet
2. Review the MissionInsite tool (handouts provided by Pastor Jim). Choose one of our congregation's lifestyle segments to focus on during the next session
3. Read the book *Worship Ways* by Bandy/Holmes
4. Pray!

Communication Strategy:

- The Ad Council is the 'home' team
- Do we give talking points to each Ad Council member to share with their respective groups, after each Away session?
- Will this reach enough of the congregation, or are there other communication strategies to establish?
