

# The Woman at the Well

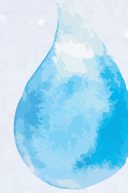

What Is Water?

CELEBRATE  
**WONDER**  
Session 7 • Ages 6–8

## Facts About Water

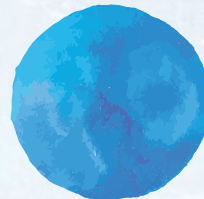

Water is in all living things.

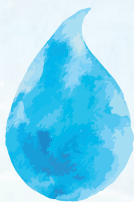

Water comes in 3 forms:  
solid, liquid, and gas.

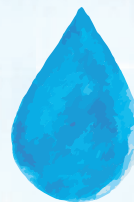

A newborn baby is 78  
percent water.

The Mariana Trench is the  
deepest known point in the  
world's oceans. It is in the  
Pacific Ocean.

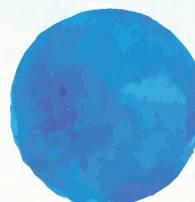

Over 68 percent of Earth's  
fresh water is in ice and  
glaciers.

The Atlantic Ocean has more  
salt than the Pacific Ocean.

The three largest oceans on  
Earth are the Pacific Ocean,  
the Atlantic Ocean, and the  
Indian Ocean.

Climate changes and sharing  
of water means there may  
not be enough water for  
everyone. We have to be  
careful to share clean water.

## Collection for Change

In the blank space, write the name of the organization your leader gives you. You will display this poster around your church space to raise money for the organization that provides clean water for others.

# HELP EVERYONE HAVE CLEAN WATER.

Each time you use water,

**DONATE YOUR CHANGE** for good.

You are supporting \_\_\_\_\_.

Drinking water – 5¢

Washing your hands – 10¢

Flushing the toilet – 10¢

Filling up your

water bottle – 25¢

Cleaning up a mess – 25¢
